## Category 5

**Web Offset Publications (1000 or greater) on newsprint + long run publications (10,000 or greater) on coated/uncoated stock with moderate graphics**

Newspaper type of applications 1000 and above primarily folded as a newspaper or saddle stitched/perfect bound. Long run work on coated and/or uncoated stock for magazines/books/periodicals 10,000 and above. Generally 2 color on uncoated and up to 4 colors on coated stocks with moderate graphics. Primarily saddle stitched or perfect bound. Emphasis is on reduction of time and cost associated with sheet fed offset for long run applications.
